Hundreds of men have already experienced One Year To Live. 
Here’s what they’re saying...

"Like most men, I used to have only passing conversations with men at church. Now I have brothers in Christ."

"Wow! I had no idea how powerful the OYTL experience was, and still is in my life. I found a true band of brothers and developed friendships that have just grown richer over time."

"What I thought were my biggest liabilities are my biggest assets. I can share them with others to give them hope."

"The OYTL retreat allowed me to not only realize how much pain I buried, but also how to accept healing through the word of God and with communion with other holy men."

"You will come out of the weekend a better man. I totally recommend this weekend if you are serious about renewing your life."

An Experience that meets men where they are.
