

**Hundreds of men have already experienced One Year To Live. Here's what they're saying...**

*"Like most men I used to have only passing conversations with other men at church. Now I have brothers in Christ."*

*"Wow. I had no idea how powerful the OYTL experience was, and still is, in my life. I found a true band of brothers and developed friendships that have just grown richer over time."*

*"What I thought were my biggest liabilities are my greatest assets. I can share them with others to give them hope."*

*"The OYTL retreat allowed me to not only realize how much pain I buried, but also how to accept healing through the word of God and communion with other holy men."*

*"You will come out of the weekend a better man. I totally recommend this weekend if you are serious about renewing your life."*
