

**Hundreds of men have already
experienced One Year To Live.
Here's what they're saying...**

*"Like most men I used to have only passing
conversations with other men at church.
Now I have brothers in Christ."*

*"Wow. I had no idea how powerful the
OYTL experience was, and still is, in my
life. I found a true band of brothers and
developed friendships that have just grown
richer over time."*

*"What I thought were my biggest
liabilities are my greatest assets. I
can share them with others to give
them hope."*

*"The OYTL retreat allowed me to not only realize
how much pain I buried, but also how to accept
healing through the word of God and
communion with other holy men."*

*"You will come out of the weekend a
better man. I totally recommend
this weekend if you are serious about
renewing your life."*
